Doctors Direct has an excellent opportunity available at **East and North Hertfordshire NHS Trust**. We are looking for a **Consultant** to join our dedicated team offering you the opportunity to work flexibly with the first choice of shifts in **Respiratory Medicine**.

The Trust:

East and North Herts NHS Trust is proud to provide care to the communities across its region. It's made up of four hospitals: Hertford County Hospital in Hertford, the Lister Hospital in Stevenage, Mount Vernon Cancer Centre in Northwood and the New QEII Hospital in Welwyn Garden City. Together, its facilities deliver a range of services including emergency, inpatient, outpatient, maternity and diagnostic care. The Trust also offers specialist services such as cardiology, urology, renal medicine and radiotherapy.

The Trust's team of 5,000 dedicated staff always do their best to deliver high quality, safe and effective care – and it's thanks to them that East and North Herts NHS Trust has been nationally and internationally acclaimed for its specialities. But the Trust isn't stopping there. With its cutting-edge technologies, like the CyberKnife radiotherapy system or urology robot, the Trust is striving to make patient treatments and experiences better than ever.

Requirements:

- Full GMC licence to practice
- Minimum of 6 months paid experience in an NHS Trust within the last 2 years
